**THE LEAGUE
OF WOMEN VOTERS**
of New York State

MEMORANDUM IN SUPPORT:
A.5534A (Galef)

To: Assembly Election Law Committee
Date: May 11, 2016

Subject: *An act to amend the election law, in relation to including e-mail addresses in voter registration data.*

The League of Women Voters of New York State supports the above referenced legislation, which aligns the voter registration form with contemporary modes of communication by providing an optional space in which registrants can add their email address.

Many people rely on e-mail as much as postal mail service for notification. By giving voters this option, boards of elections will be better able to provide voters with important timely information.

The League of Women Voters of New York State strongly urges your support of A.5534A.
