

“The League of Women Voter of New York State applauds Governor Cuomo for authorizing the Women’s Suffrage 100th Anniversary Commemoration Commission. New York State has played a critical role in the history of the women’s suffrage movement nationwide. This Commission will help implement events and programs to celebrate these key accomplishments during the centennial year of 2017. We hope that the Governor will continue to support our efforts and approve sufficient funding for the Commission in his 2016 budget.”
