

## Come Demand Legislators Take Action for Reform "Albany On the Record"

May 5, 2010

11:00 am - 4:00 pm

Albany, New York

***New Yorkers are fed up! Scandals have driven from office Governor Spitzer, Comptroller Hevesi, Senate Majority Leader Bruno and a growing number of state legislators. Some elected officials - including Governor Paterson - are currently under investigation. Many of these abuses of power were rooted in the absence of effective and independent ethics and fiscal watchdogs, tough ethics laws and adequate transparency in government.***

***Come join people to hear from the state's leading political figures on how they will reform Albany.***

***Buses (no charge) will be provided if minimum number of people reserve a space!***

***Lunch will be provided!***

***Time after to lobby your legislator, if you wish!***
