

Secure our Future

Position the League to continue its mission for the next hundred years

The League is a volunteer organization. Entry of women into the workforce and increasing complexity of the world require the League to augment its volunteer model, both to maintain the level of sophistication with which it has traditionally operated and to provide increased technical and administrative support to local Leagues.

For all individuals who are concerned about the issues facing our communities, our state, and our nation

The League of Women Voters of New York State Education Foundation, Inc.
