the gloves are off...

The gloves are off and women AND men are fighting for democracy. For over 80 years the League of Women Voters has fought to promote the rights of all Americans to be informed, to be heard, to vote.

Please join us in the fight to make democracy work.

Each member participates in the league as time and preference permit, but every member strengthens the voice of the League and increases our impact.

- The League of Women Voters is not limited to women.
- The LWV is not a partisan organization and does not support or oppose political parties or candidates.
- The LWV is not afraid to fight to preserve democracy.

...and we are fighting.

The League and democracy need you!
